Your organization filed an exempt organization annual information return with the Philadelphia Service Center. The service center has processed the return but has no record that the Internal Revenue Service has issued you a determination letter recognizing your exemption from Federal income tax. This office, therefore, has been requested to determine your proper filing requirement.

If you have not yet applied for recognition of exemption, you should complete an exemption application (Form 1023 or Form 1024, whichever is appropriate) and submit it to this office with a copy of this letter. Application forms are available at most Internal Revenue Service offices. If you previously submitted an application but never received a determination letter from the Service, please send us a copy of your application.

If you have previously been determined to be exempt from Federal income tax, send us a copy of the letter in which the Internal Revenue Service stated it had determined that your organization was exempt from tax. If your organization is an affiliated subordinate of a central organization and is covered by its group exemption letter, send us a copy of that letter.

If your organization was previously recognized as exempt from tax but has since changed its name, send us a copy of your Certificate of Amendment of the Articles of Incorporation endorsed by the appropriate state official showing the name change and any other organizational changes. In lieu of the above, send us a copy of the minutes of the meeting authorizing the name change if the organization is an unincorporated association, or an amended Indenture of Trust if the organization is a trust. Also, please notify us of each employer identification number you have used if you have used a number other than the one shown above.

When you reply, please provide your telephone number and the most convenient time for us to call in case we need more information. Address your response to the contact person named in the heading of this letter.

If we do not receive your response within 30 days from the date of this letter, we will assume your organization is not exempt from tax. You will then be required to file the appropriate Federal income tax return.

Thank you for your cooperation.

Sincerely yours,
